

Cig-Arrête®

tobacco control products

Stamp out illicit smoking with the only purpose built solution.

Cig-Arrête® detects tobacco smoke or drug residues on the flame from a match or lighter, and delivers a clear voice warning to alert smokers that their actions have been detected.

Cig-Arrête® is the ideal solution for schools, hospitals and the workplace to ensure a healthy smoke free environment.

Product Benefits

- › **Avoid Confrontation** with staff and visitors
