

SpeechPOD[®]

voice warning system

Activated by motion, the **SpeechPOD[®]** is the complete solution to delivering high quality, dynamic messages in any location. You can record your own messages to remind staff of special requirements or to alert visitors, partially sighted or blind individuals of risks, requirements, hazards or special offers in retail outlets.

Product Features

- > **Self contained** motion detector and voice messaging system

- > Up to 60 seconds of digital quality recording per message
- > Up to 7 individual messages selected by remote control unit
- > Supports multiple languages

Sample Messages

“ We would like to remind you that smoking is not permitted in this area ”

“ Please be advised that ear protection must be worn beyond this point ”

Caution wet and slippery floor

This facility operates a no smoking policy

Eye protection must be worn
